

Alternate Energy Inc. Solar Attic Fan Unit One (1) Year Warranty

Alternate Energy Inc. (the Company) warrants its solar attic fan parts and labor against defects in material or workmanship under proper application and installation for the period of one (1) year from the date of original purchase to the original end-user customer. The Company agrees to repair or, at the Company's option, replace the defective product without charge to the customer during such time.

The Company also warrants its repair of the roof, for a period of one (1) year from the date of original purchase, for any damage caused to the roof by the installation of solar attic fan and the subsequent works relating to the said solar attic fan installation, if a licensed roofer or contractor confirms that the Company was at fault.

A purchaser's receipt or other proof of date of original purchase acceptable to the Company is required before performance on the warranty shall be rendered.

This warranty only covers product failure due to defects in materials or workmanship which occurs in normal use. It does not cover abuse, lack of reasonable care, alteration, or any other failure not resulting from defects in materials or workmanship. Damage to the product caused by separately purchased, non-Company provided parts or components are not covered by this warranty.

The Company authorizes no other warranty, written or verbal. This warranty gives you specific legal rights and you may also have other rights which vary from state to state.
